

DOCUMENT AMENDMENTS

1. AMENDMENTS:

Attachment D_CIMS Requirements Worksheet is hereby replaced with Attachment D_Worksheet_Amendment_1 which includes the point breakup per question for bidders to be aware of, as well as the following itemized changes:

Location	Change
Attachment D, Worksheet 2. EO, Cost, SLA; Question 2.A	Inclusion of mention of "desired" requirements in the instructions for which requirements must be included in cost estimates: "Bidders MUST include any added costs for mandatory and desired requirement features if they answered the mandatory or desired requirement question with "Feature Included," "Feature Partially Included," "Feature in Development or Developable," or "Feature Provided by Third Party." "
Attachment D, Worksheet 2. EO, Cost, SLA; Question 1.B	Adjustment of "2000" to "250" to align with other mentions of point totals: "No bidder may receive more than 250 points for an affirmative answer to this question."
Attachment D, Sheet 3 - Optional Components costs	Removal of reference to exclusively providing system replacement costs: "Cost estimates for Optional functionality. These are systems that DOC would like more information if the Vendor has this functionality already available within the proposed system. Please only include the costs of system replacement."
Attachment D, Sheet 3 - Optional Components costs	Removal of reference to interfacing with CIMS with respect to any Health Records System: "Health records System: Additional functionality to capture patient medical records, manage external referrals, and receive and store labs and tests. (No interface needed from CIMS to this system)"
Attachment D, Sheet 3 - Optional Components costs	Minor Spelling: Fixed
Attachment D, Sheet 3: Optional Cost header	Minor Spelling: Fixed
Attachment D, Instructions TOC	Minor Spelling: Fixed
Attachment D, Sheet 3: Optional Cost header	Minor Spelling: Fixed
