Contact your Community Corrections Officer for a referral or further information.

**Thinking for a Change**

What is the “Thinking for a Change” (T4C) program?

The T4C curriculum uses at its core a problem solving component designed to help participants see how thinking impacts decisions and actions and how that impacts your ability to achieve your goals. It will also teach you how your thinking, decisions, and actions impact you and the people around you and provide you with skills that will assist you in dealing with situations that may have led to your criminal behavior.

- Orientations are held the 2<sup>nd</sup> and last Wednesdays of each month at 11:00 AM and 3:00 PM
- Contact your Community Corrections Officer for a referral.

For further information contact the Seattle Community Justice Center 206-516-7600.
