

# Nurturing Fathers

The title says it all....

Learn how to become the father that you had, needed, or wished you had while growing up!

Help raise your child(ren)!

Help raise your Wife's child(ren)!

Learn how to raise your nieces, nephews, or cousins!

Learn what it takes to be a *real man*; to be a man that is not afraid to say ***I LOVE YOU*** to your child(ren); a man that wants his child(ren) to succeed in life and not be dependant upon others to make decisions for them.

Become a Huge part in your child(rens) life. Don't settle for being---just the bread winner; become ***more active*** in the important role of raising a child.

Sign up below if you are interested in becoming a better  
Father, or a better Father Figure.

Classes are 13 weeks long: certificates given out upon completion of the course. Classes will begin sometime towards the end of April. The class will be held once a week (day of the week--still to be determined). **10 men per class limit.**
