RE: November 27, 2009 and December 25, 2009 WSRU Annex Visitation

I am happy to announce the opening of the WSRU Annex for two days to facilitate additional visitation on the Thanksgiving and Christmas holidays. The WSRU Annex will open for visiting on:

November 27, 2009
December 25, 2009

Superintendent Scott Frakes has agreed to the overtime for additional staff to provide security for these days. Unfortunately, our budget is very tight and thus we are able to open the Annex only for two days.

We are hopeful this additional space will enable visitation for more families during these important holidays. Thank you for your cooperation.

CC: Scott Frakes, MCC Superintendent
