SECTION A CONTRACT REQUIREMENTS

1. Introduction

The Washington Department of Corrections (DOC) is seeking a reference check software program to be utilized to streamline the candidate vetting process.

2. Background

The DOC is undergoing this effort due to policy states that during the recruitment process the agency will complete three professional reference checks for interested candidates. This process includes calling and emailing references directly which can take a lot of time. By implementing a reference check software, the process can be streamlined and allow the vetting process to become more efficient resulting in candidates' days to hire being reduced.

3. Goals and Objectives

- Automate contact to professional references,
- Allow the candidate to manually enter information into the system,
- Finalize reports in an anonymous manner to prevent bias feedback,
- Send reminders daily to references who have not responded,
- Allow the team to add additional references at the request of the agency appointing authorities and re-finalize reports.

7. Period of Contract Performance

DOC intends to award one (1) Contract for the Software/Service described in this Competitive Solicitation. The period of performance under the Contract shall start on or after conclusion of the negotiation period and run for an initial period of four (4) years. The term of the contract may be extended two times for an additional three (3) year period for each extension. Additional services that are appropriate to the scope of this Solicitation, as determined by DOC, may be added to the Contract in a mutually agreeable amendment.

8. Funding

DOC is looking for competitive bids that demonstrate an ability to implement the activities outlined in the scope of work in a cost-efficient manner. Any bid over \$45,000 USD per year will be considered non-responsive as DOC does not have budgetary approval for software over this amount.

9. Compensation

As outlined in Consideration Section of Attachment A, Sample Contract which shall be reflective of any possible apparent successful bidders awarded bid.

The Coordinator shall not be required to consider requests for changes after this date. If any changes are made to the Solicitation requirements, an Amendment setting forth those changes will be posted on WEBS.

7. Complaints

In the event a Bidder believes that this Solicitation either: (a) unnecessarily restricts competition; (b) contains an unfair or flawed evaluation or scoring process; or (c) contains inadequate or insufficient information to permit preparation of a Response, the Bidder shall submit a written complaint to the Coordinator. The DOC decision regarding a complaint is final and no further administrative appeal is available. If no complaint is filed, a Bidder cannot later file a protest based on any of the above complaint criteria.

8. Minority & Women's Business Enterprises (MWBE) and Veteran-Owned Business Enterprises

In accordance with the legislative findings and policies set forth in RCW 39.19, 43.60A.200, 39.26.240 and 39.26.245, the State of Washington encourages participation by veteran-owned business enterprises and Minority-Owned and Women-Owned Business Enterprises (MWBE), either self-identified or certified by, respectively, the Department of Veterans Affairs or the Office of Minority and Women's Business Enterprises (OMWBE). While the State does not give preferential treatment, it does seek equitable representation from the veterans, minority and women's business communities.

Participation by veteran-owned and MWBE contractors may be either on a direct basis in

response to this Solicitation or as a subcontractor to a contractor. However, no preference will be given in the evaluation of Bids unless DOC provides points in Attachment D for a certified Veteran-owned business (Veteran-owned business means a business certified by the Washington state department of veteran affairs under RCW 43.60A.190), a Microbusiness (as defined in RCW 39.26.010 (16)), Minibusiness (as defined in RCW 39.26.010 (17)), or Small Business (as defined in RCW 39.26.010, no minimum level of MWBE or veteran-owned business participation shall be required, and Bids will not be evaluated, rejected, or considered non-responsive on that basis.

Bidders may contact the Office of Minority and Women's Business Enterprises (OMWBE) at <http://omwbe.wa.gov/> and/or the Department of Veterans Affairs at <http://www.dva.wa.gov/program/veteran-owned-business-certification> to obtain information on certified firms for potential subcontracting arrangements or for information on how to become certified. Nothing in this section is intended to prevent or discourage participation from non-MWBE firms or non-veteran-owned businesses.

9. Accessibility

The successful Contractor from this solicitation will be required to represent and warrant that it will exercise commercially reasonable efforts to comply with the Office of Chief Information Officer (OCIO) Standard 188.10 – Minimum Accessibility Standard located at <https://ocio.wa.gov/policy/minimum-accessibility-standard>. The Contractor shall regularly review its systems and at the commencement of this Contract, and annually thereafter, certify to Enterprise Services that Contractor's Services meet OCIO Standard 188.10.

10. Cost to Prepare Response

DOC will not be liable for any costs incurred by the Bidder in preparing, conducting a site assessment, or submitting a Response to this Solicitation.

11. Acceptance of Solicitation Terms

In submitting a Response, Bidder must include a signed Bid Submission Letter in the form set forth on Attachment B, as well as signed Bidder Certifications in the form set forth on Attachment C. Bidder must acknowledge that in submitting a Response, it accepts all terms of this Solicitation Document, including all of its Attachments, and that Bidder's Response constitutes a binding offer. Bidders may not alter or redline the solicitation terms or requirements in their response. Submitting altered or redlined solicitation terms or requirements in the Bidder Response may result in bidder disqualification.

12. Joint Proposals

If Bidders submit a joint Response with one or more other persons or entities, these persons or entities must designate a prime Bidder. The prime Bidder will be DOC sole point of contact through the Procurement process. If selected as the Apparent Successful Bidder, the prime Bidder shall sign the contract and any amendments and will be liable and responsible to DOC for all performance under the contract.

13. Withdrawal of Responses

After a Response has been submitted, Bidders may withdraw their Response at any time up to the Response due date and time as specified in Section C.1, Solicitation Schedule.

A written request to withdraw the Response must be submitted to the Coordinator. After withdrawing a Response, the Bidder may submit another Response at any time up to the Response submission date and time.

14. Ownership of Responses

All materials submitted in response to this Solicitation become the property of DOC, unless received after the deadline in which case the Response shall be returned to the sender. DOC shall have the right to use any of the ideas presented as part of the process in any manner as it deems appropriate or beneficial, regardless of whether it is contained in a Response that results in selection for a Contract.

15. DOC Award Options; Improvement of Bid Offers

After Responses are received and written evaluations are completed, DOC may (but shall not be required to) request best and final offers from one or more Responsible and Responsive Bidders. The written Responses of Bidders invited to provide a best and final offer may be re-evaluated and the point values may be adjusted based upon changes to pricing or proposed services, deliverables or methodologies that are included in a best and final offer, prior to DOC' determination of the Apparent Successful Bidder.

Alternatively, after reviewing all Responses, DOC may enter into negotiations with the highest ranked Responsive and Responsible Bidder in order to determine if the Bid may be improved before identification of the Apparent Successful Bidder.

DOC shall not be required to request best and final offers or to enter into negotiations and reserves the right to make a Contract award without further discussion of the Response. Therefore the Response should be submitted on the most favorable terms that Bidder intends to offer.

16. Announcement of Successful Bidder(s)

DOC shall announce the Apparent Successful Bidder(s) on WEBS or by an e-mail from the Solicitation Coordinator to all responsive bidders on the date indicated in Section C.1., Solicitation Schedule. All announcements of Apparent Successful Bidders are subject to the negotiation of a Contract satisfactory to DOC.

Bidders who are not announced as an Apparent Successful Bidder may request a debriefing conference with the Coordinator concerning the evaluation of their bid and may, under certain circumstances, file a formal protest requesting that DOC provide an identified remedy if Bidder believes certain types of errors occurred. A more detailed description of these processes is set forth in Section F, Debriefing and Protest Procedure.

17. Ethics, Policies and Law

This Solicitation, the evaluation of Responses, and any resulting contract will be made in conformance with applicable Washington State laws and Policies.

Specific restrictions apply to contracting with current or former state employees pursuant to RCW 42.52. Bidders should familiarize themselves with the requirements prior to submitting a Response. Bidders must include, in their Letter of Submittal, information

regarding any current or former state employees who are employed by, or subcontracted with, Bidder.

SECTION D
INSTRUCTIONS REGARDING CONTENT, FORMAT AND SUBMISSION OF WRITTEN RESPONSES

Bidders shall submit their Responses utilizing the forms set forth on Attachments B, C, and D to this Competitive Solicitation. Each Attachment represents a separate section of the Response. Failure to complete and submit all required Attachments, and to sign them, if applicable, may result in Bidder disqualification. Responses should be neatly typed in 12 point font, using proper grammar, spelling and punctuation and should be submitted in the following order with each section of the Response clearly labeled.

1. Attachment B: Bid Submission Letter (Required, not scored)

All Bidders must submit a completed bid submission letter in the form and with the minimum contents set forth on Attachment B, which must include all of the required acknowledgments and information. The Bid Submission Letter must be signed by an individual authorized to bind the Bidder contractually. Bidder's completed and signed Attachments B and C, together with any documents that are required to be attached, and Bidder's answers to administrative questions set forth on Attachment D, Bidder Response Form, comprise the Administrative component of the Response.

2. Attachment C: Bidder Certifications and Assurances (Required, not scored)

All Bidders must submit the Bidder certifications and assurances form set forth on Attachment C, signed by an individual authorized to bind the Bidder contractually. Bidders may not alter or redline the Bidder Certifications and Assurances form in their response. Submitting altered or redlined solicitation terms or requirements in the Bidder Response may result in Bidder disqualification.

3. Attachment D: Bidder Response Form (Required, Portions Scored)

Using Attachment D, Bidders must provide answers to the questions set forth on the Bidder Response Form to demonstrate satisfaction of administrative requirements and, as applicable to this Solicitation, their qualifications, approach and proposed pricing to provide the services as outlined in this Competitive Solicitation, including the Sample Contract set forth on Attachment A. The number of points allocated to each answer is indicated next to the question.

The Bidder Response Form is posted separately from this Solicitation document in Microsoft Excel format. Except for limits that are noted on the Bidder Response Form, Bidders may utilize as much space as is reasonably required to respond to each question, provided all questions are repeated and remain numbered and ordered as set forth in Attachment D. If additional pages are needed, they should be attached to the page containing the initial portion of the response to a question and should be marked clearly to indicate that they provide a continuation of Bidder's answer to a specific numbered question. Bidders should not submit product brochures, white papers, customer testimonials, cut sheets, or other pre-prepared materials in response to any of the questions.

Bidders must submit complete, well-organized explanatory answers that address all of the specific questions asked in the Bidder Response Form. Bidders should not assume that evaluators will be familiar with their businesses before conducting the evaluation.

Use of Attachment D assures that Bidder responds to specific questions in space immediately below those questions and helps to avoid confusion among evaluators about the question that is being responded to. In awarding points, evaluators shall not be obligated to search through the Bidder's answers to questions other than the one being reviewed in order to locate text that is responsive to the question being reviewed. Failure to use the form set forth on Attachment D (with the applicable questions set forth immediately above Bidder's answers), failure to respond to all questions and/or failure to submit any documents requested in the Bidder Response Form may result in Bidder disqualification.

If Bidder is awarded a Contract, DOC may require that Bidder's Response to the Bidder Response Form be incorporated, in whole or in part, into the Contract.

4. Proprietary Information/Public Disclosure

Materials submitted in response to this Solicitation shall be deemed public records as defined by RCW 42.56. All Responses and accompanying documentation shall become the property of DOC upon receipt, and will not be returned.

The Bidder's Response must include, on Attachment D, a statement identifying the pages of its Response, if any, which contain information the Bidder considers proprietary (for the purposes of public disclosure). Each page claimed to be proprietary must be clearly marked by stating the word "Proprietary" on the lower right hand corner. Bidders must be reasonable in designating information as proprietary or confidential. **Bidders may not mark their entire Response proprietary. Doing so will not be honored and will disqualify your Response from further consideration.**

If DOC receives a request to view or copy a Bidder's Response, DOC will respond according to applicable law and DOC's policy governing public disclosure. DOC will not disclose any information marked "Proprietary" in a Response without giving the Bidder ten (10) days' notice to seek relief in superior court per RCW 42.56.540.

Bidders may not include any DOC client or incarcerated individual personal information in their Responses. Doing so will result in disqualification of the Response from further consideration. If you wish to include examples of any forms or processes, use a blank form or ensure that all client information is completely redacted.

5. Submission of Responses

Bid Responses must be stored in an acceptable electronic format and, if applicable, hard copy format, as set forth in Section 7, below. Bid Responses must be emailed directly to the Coordinator at the email address provided on the cover sheet of this Solicitation Document. Bid Responses must be received by the Coordinator in their entirety on or before the due date and time set forth in Section C.1., Solicitation Schedule, unless a posted Amendment to this Competitive Solicitation changes this due date and time. Bidder's completed version of each of the Attachments B, C, D to this Competitive Solicitation shall be included as a separate attachment to the Bidder's email(s).

Bidders assume all risks for the timely submission of the Response. Bidders are responsible for allowing sufficient time to ensure timely electronic receipt of their Response by the Coordinator and, in Solicitations that also require that hard copies of the Response be submitted, to ensure timely receipt via other delivery methods. DOC does not assume responsibility for problems with the Bidder's email, network or problems with the mail, parking, traffic or the services of any third party courier. However, if DOC email is not working properly, appropriate allowances will be made.

DOC will not accept late Responses, nor grant time extensions for individual Bidders. DOC will disqualify any Response and withdraw it from consideration if it is received after the Response submission due date and time.

6. Acceptable Electronic Formats for Submission of Responses

Attachment D, Bidder Response Form, should be submitted in Microsoft Word format. Other Response documents must be formatted in Portable Document Format (Adobe Acrobat PDF) or Microsoft Word, Excel, or PowerPoint. Spreadsheet documents must be submitted in Microsoft Excel and in a live, unprotected file that includes all formulas, macros, and computations that are relied on or used to calculate any rates or values presented therein. When scanning documents to be submitted in PDF format, scanner resolution should be set to at least 200 dots per inch.

NOTE: DOC cannot receive emails that are larger than 30MB. To keep file sizes to a minimum, Bidders are cautioned not to use unnecessary graphics in their Responses. If your Response approaches or exceeds 30MB, you must break it up and send it by more than one email so that no single email exceeds 30MB.

7. Alternative Submission Methods

Bidders wishing to request an alternative method for submitting their Response must contact the Coordinator at least ten (10) days before the Response Submission Date. No alternative submission method will be accepted unless agreed to by the Coordinator in writing prior to the Response deadline.

SECTION E EVALUATION OF RESPONSES

1. Bid Responsiveness; Administrative Review

All Responses will be reviewed by the Coordinator to determine compliance with administrative and minimum qualification requirements and instructions specified in this Solicitation. DOC may reject a Response as nonresponsive at any time for any of the following reasons:

- Incomplete Response
- Submission of a Response that proposes services that deviate from the scope and technical requirements set forth in this document and Attachment A, Sample Contract, except as permitted in an Amendment to this Solicitation
- Failure to meet the minimum Bidder qualifications or to comply with any requirement set forth in this Solicitation Document, including Attachments
- Submission of incorrect, misleading, or false information
- History of prior unsatisfactory contractual performance

The Coordinator may contact any Bidder for clarification of the Response. If a Response is deemed non-responsive, it shall be removed from further consideration. DOC shall notify non-responsive Bidder(s) of this determination and the supporting reasons. Bidders whose Responses are found to be non-responsive shall be disqualified from further evaluation and shall be notified in writing.

If a Response meets all administrative and Bidder qualification requirements and submittal instructions, DOC shall continue with the Written Evaluation.

2. Errors in Bidder Response

Bidders are responsible for all errors or omissions contained in their Responses. Bidders will not be allowed to alter Response documents after the deadline for Response submissions.

DOC reserves the right to contact any Bidder for clarification of Response contents. In those cases where it is unclear to what extent a requirement has been addressed, the evaluation panel may, in their discretion and acting through the Coordinator, contact a Bidder to clarify specific matters in the submitted Response.

DOC reserves the right to waive minor administrative irregularities contained in any Bidder Response.

3. Evaluation Criteria and Scoring of Responses

Following the administrative review, Responses shall be evaluated, and points shall be awarded for the non-administrative components of the Response, as applicable, based upon Bidder's responses to the questions set forth in Attachment D, Bidder Response Form. Additional evaluation points may be awarded for specific criteria not included in Attachment D, Bidder Response Form only if set forth in this Section.

The maximum number of points available for each Bidder is one-thousand points(1000)

Points). The maximum number of points that may be assigned with respect to specific questions is set forth on Attachment D, Bidder Response form. The overall breakdown for assignment of points in evaluating Responses to this Solicitation is as follows:

| | |
|---|----------------------------|
| Cost..... | 200 maximum points |
| General Requirements..... | 350 maximum points |
| Technical Requirements..... | 400 maximum points |
| EO 18-03 Response..... | 25 maximum points |
| Veteran or Small Business Status Response | 25 maximum points |
| Oral Evaluations (Optional)..... | 300 maximum points |
| Total Possible Points | 1300 maximum points |

4. Written Bid Evaluation Process

DOC shall designate an evaluation team of at least three (3) evaluators to review, evaluate, and score the written question responses. These evaluators will be selected based on their qualifications, experience, capability and background.

Evaluators shall assign scores up to the maximum points available. Individual evaluator points will be totaled and the average points for each Bidder will be calculated. The Bidder's average points earned for each question will be added together to determine the Bidder's total written evaluation points.

Evaluators tend to score based upon the following chart, guided by their own personal opinion and subject matter expertise:

| Score | Description | Discussion |
|-------------------|---------------|---|
| 80-100% of points | Exceptional | Feature or capability is clearly superior to that which is average. |
| 60-80% of points | Above Average | Feature or capability is better than that which is average. |

| 20-40% of points | Below Average | Feature or capability is substandard to that which is average. |
| 0-20% of points | Failing | Feature or capability is non-responsive or clearly inadequate to that which is average. |

5. Evaluation for Executive Order 18-03 (Firms without Mandatory Individual Arbitration for Employees)

Pursuant to RCW 39.26.160(3) (best value criteria) and consistent with [Executive Order 18-03 – Supporting Workers’ Rights to Effectively Address Workplace Violations](#) (dated June 12, 2018), DOC will evaluate bids for best value and provide a bid preference in the amount set forth in Attachment D, Bidder Response Form, to any bidder who certifies that their firm does NOT require its employees, as a condition of employment, to sign or agree to mandatory individual arbitration clauses or class or collective action waivers.

Successful bidders who certify that their employees are NOT required to sign these clauses and waivers as a condition of employment will have an EO 18-03 section added to their contract incorporating this response and requiring notification to DOC if they later require their employees to agree to these clauses or waivers during the term of the contract.

6. Bidder’s References

Once the written evaluations are completed, DOC may contact any references provided by the top-ranked Bidder(s) in order to investigate past performance and validate information in Bidder Responses. In submitting a Response, Bidder agrees that it shall hold harmless DOC and any individuals identified as references from and against liability resulting from the provision of information or the receipt and use of that information in evaluating Bidder’s Response.

While additional points may be awarded for superior performance and reliability as demonstrated through references (see Section E.3. above), references are generally evaluated on a pass/fail basis. DOC may reject a bid if a reference provides negative information about a Bidder’s past performance.

DOC may, at any time, require additional or substitute references to determine the Bidder’s experience and level of responsibility. If the reference check process reveals information that should properly be considered in evaluating Bidder’s responses, DOC may, in its sole discretion, reconvene the evaluation panel to reconsider the evaluation scoring in light of the information obtained.

7. Oral Interview/Evaluation

In addition to evaluating the written response, DOC may invite one or more of the highest scoring Bidders to make an oral presentation which shall be separately evaluated.

8. Cost Evaluation.

The bidder with the lowest hourly rate for the Cost question in Attachment D Bidder Response Form will receive the maximum cost evaluation points. Bidders with higher hourly rates will receive proportionately fewer cost evaluation points based upon the lowest hourly rate as follows:

low bid / higher bid = % of avail. points awarded * avail. points = total cost points

Bidder A

Bidder B

| | | |
|-------------------------------|-------------------|---------|
| Hourly rate bid | \$50.00 (Low bid) | \$56.00 |
| % of available points awarded | 100% | 89% |
| Cost points (____ available) | 700 | 623 |

Due to budgetary constraints DOC is unable to consider any bids over \$52,000 USD per year (\$208,000 over years 1-4). Thus, any bids submitted over that amount in the Cost table of Attachment D Bidder Response Form shall be considered non-responsive.

9. Non-Cost Evaluation.

Executive Order Scoring

Bidders will be scored for Attachment D Section 2 EO 1, EO 2. depending on their responses to the executive order-based questions within.

10. Selection of Apparent Successful Bidder

Because this solicitation is estimated to consist of an award of less than \$150,000, the agency intends to award the contract to the best scoring responsive and responsible bid from a small business (as defined in RCW 39.26.010(22)(a) or veteran-owned business, unless none of these businesses are responsible and responsive to this solicitation. This award requirement is mandated by Washington Department of Enterprise Services Supplier Diversity Policy (DES-090-06).

The Apparent Successful Bidder (“ASB”). The ASB will be the responsive and responsible small or veteran-owned bidder that best meets the Competitive Solicitation requirements by receiving the highest total number of possible points, and presents the best value to the state, including price and other factors as set forth in the solicitation.

- (a) If there was no responsive and responsible bid from a small or veteran-owned business, the agency will determine the ASB, based on the most responsive and responsible bidder, from all other bids submitted.

The selection process shall determine which Bidder provides the best value in meeting the needs of DOC. Selection of the Apparent Successful Bidder(s) depends upon DOC’ assessment of multiple factors, including Bidders’ qualifications, capabilities, efficiency, experience, reliability, responsibility, integrity, quality of proposed services and deliverables, timeliness, cost and potential impact on DOC’ needs. DOC may consider whether the Response encourages diverse contractor participation; whether the Bid provides competitive pricing, economies and efficiencies; whether the Bidder considers human health and environmental impacts; whether the Response appropriately weighs cost and non-cost considerations; and life cycle cost, as applicable. DOC may also consider a Bidder’s performance on prior State or other contracts and may reject Responses of any Bidder who has failed to perform satisfactorily under any previous contract with the state or another party. DOC reserves the right to select a Bidder whose Response is deemed to offer the best overall value and that is in the best interests of DOC and the State of Washington.

DOC management shall make the final determination as to which Bidder(s), initially designated as finalist(s), shall be officially selected and announced on WEBS as the Apparent Successful Bidder(s) on or about the date and time set forth in Section C.1.,

Solicitation Schedule. DOC may also notify the Apparent Successful Bidder(s) and the unsuccessful Bidder(s) of its determination via email on or about the date and time specified in Section C.1., Solicitation Schedule.

DOC' decision will be subject to the execution of a Contract satisfactory to DOC within a reasonable period of time following the announcement of the Apparent Successful Bidder on WEBS. In the event the parties are unable to reach agreement on the final details of a Contract, consistent with Attachment A, Sample Contract, DOC shall have the option of negotiating with the next highest ranked Bidder and of revising the announcement of the Apparent Successful Bidder.

**SECTION F
BIDDER DEBRIEFING
AND PROTEST PROCEDURE**

1. Debriefing Conferences

No later than 5:00 p.m. on the third business day following the posted announcement of Successful Bidder(s) on WEBS, Bidders who are not selected as a Successful Bidder may send an email to the Coordinator requesting a Debriefing Conference. Since debriefing conferences pertain to the formal evaluation process, Bidders who were disqualified as nonresponsive and therefore did not go through the formal evaluation process are not entitled to request a Debriefing Conference. Unless a different date is agreed upon by the Coordinator, the Debriefing Conference will be held on a date designated in Section C.1., Solicitation Schedule. Discussion at the debriefing conference will be limited to the following:

- Evaluation and scoring of the Bidder's Response
- Critique of the Response based on the evaluation
- Review of Bidder's final score in comparison with the other final scores

No comparisons between Bids will be allowed during the Debriefing Conference, which shall be conducted by telephone, unless the Coordinator agrees to an in-person meeting, and shall last for a maximum period of thirty (30) minutes.

2. Grounds and Filing of Protests

A Bidder who has participated in a Debriefing Conference may file a formal Protest if the Bidder asserts that there are facts that indicate error in the evaluation of Bids on one or more of the following grounds:

- Bias, discrimination or conflict of interest on the part of the evaluator or in the process
- Mathematical errors in computing the score
- Non-compliance with procedures described in the Solicitation document or in DES policy

Protests must be emailed to the Solicitation Coordinator and must be received no later than 5:00 p.m. (Pacific Time) on the fifth (5th) business day following the day of the Bidder's Debriefing Conference. The Protest must adhere to the requirements set forth in this Section or it will not be considered. This Protest procedure constitutes the sole administrative remedy available to Bidders from DOC under this Solicitation.

Protests must include the protestor's mailing address and phone number and the name of the individual responsible for filing the Protest. The Protest must state the Solicitation number and title, the grounds for the Protest, specific facts to support these grounds, and a description of the relief or corrective action being requested.

Protests not based on one of the grounds set forth in this Section will be rejected. It is not grounds for a protest to question an evaluator's professional judgment on the quality of a Response or DOC' assessment of its own needs or requirements.

3. DOC Protest Review Process

The Coordinator will immediately forward any Protest to the Chief of Central Contracts and Legal Services to assign to a Protest Coordinator for review. The Protest Coordinator, an individual who was not involved in the Solicitation, will consider the record and all available facts and will endeavor to issue a decision within ten (10) business days following receipt of the Protest. If additional time is required, the protesting party will be notified of the delay.

In the event a Protest may involve the conduct of or information submitted by another Bidder that also submitted a Response, such Bidder will be given an opportunity to submit its views and any relevant information on the issue(s) raised by the protest to the Solicitation Coordinator.

4. Determination of Protests

The Protest Coordinator shall issue a written determination regarding the Protest. This written determination shall include one or more of the following determinations:

- Upholding DOC determination of the Apparent Successful Bidder(s) on the basis that there are insufficient facts to establish the alleged error; or
- Upholding DOC' determination of the Apparent Successful Bidder(s) on the basis that there are only technical or harmless errors in DOC' evaluation process; or
- Finding errors and identifying actions which may be taken by DOC, such as:
 - i. Correction of errors and reevaluation of all bids,
 - ii. Cancellation and reissuance of the Solicitation (in which case all the Bidders will be notified), or
 - iii. Other corrective actions as may be appropriate

There is no further administrative process or remedy available within DOC to appeal the determination that resulted in a Protest. If the protesting party does not accept DOC' determination, the protesting party can seek relief from Superior Court in Thurston County, WA.

**SECTION G
CONTRACTING PROCEDURES**

1. Contract Execution

The Apparent Successful Bidder(s) is expected to sign a contract with DOC that is substantially the same as Attachment A, Sample Contract, included with this Solicitation, and to enter into any subsequent Contract amendments that may be required to address specific work or services.

DOC reserves the right to require that some or all of Bidder's Response be incorporated into the Contract, and to negotiate the specific wording of the Statement of Work, based on the requirements of this Solicitation and the terms of the Response submitted by the Apparent Successful Bidder. If changes are requested as part of the Bid Response, DOC may consider, but shall be under no obligation to agree to, modifications to the General Terms and Conditions of Attachment A, Sample Contract.

If the Apparent Successful Bidder fails or refuses to sign a Contract within ten (10) business days of delivery by DOC, DOC may elect to designate the next highest-ranked finalist as the Apparent Successful Bidder.

2. Insurance

The Apparent Successful Bidder shall provide evidence of its compliance with the insurance requirements included in Attachment A, Sample Contract.

3. Non-Endorsement

The award of a Contract is not an endorsement by the State or DOC of the Bidder or Bidder's Services and shall not be represented as such by Bidder in any advertising or other publicity materials.

By submitting a Response to this Solicitation, the Bidder agrees to make no reference to DOC in any literature, promotional materials, brochures, sales presentations or the like without the prior written consent of DOC.

4. Background Checks

Individuals who will be performing the Contract on behalf of the Apparent Successful Bidder may be required to undergo background checks. Individuals who have disqualifying results (showing crimes and/or negative actions) may not be permitted to provide Services under the Contract.

5. Electronic Payment

The State prefers to utilize electronic payment in its transactions. The successful Bidder will be required to register in the Statewide Vendor Payment system, <https://ofm.wa.gov/it-systems/statewide-vendorpayee-services>, prior to submitting a request for payment under their Contract. No payment shall be made until the registration is completed.
