3. The following paragraphs summarize the question and answer period from the Pre-Proposal Conference:

- A. **Question:** How many parking spaces are required?
Answer: Parking will be dependent on the size of the facility and determined by the regulations of the Authority Having Jurisdiction (AHJ).
- B. **Question:** Is a 50 bed-facility required to be up and running by June 30, 2020?
Answer: No. In the event an existing location is proposed and receives the Community Advisory Committee's recommendation, it is possible the initial 50 bed timeframe could be met with an operational facility by June 30, 2020.
- C. **Question:** Are all ACA standards required to be met?
Answer: No. ACA standards provide guidelines to establish a fundamental operational structure for facilities and agencies, not all standards may apply to a given facility.
