NOTICE OF SEPA DNS RETENTION

To: Department of Ecology and Clark County  
From: Department of Corrections  
Date: October 16, 2024  
Subject: Retention of SEPA DNS for Department of Corrections – Larch Corrections Center

Notice is hereby given that pursuant to RCW 43.21C and WAC-197-11-340(2), Department of Corrections does retain their SEPA Determination of Non-Significance (DNS) decision that was issued on August 30, 2024, on the proposal for the Department of Corrections - LCC.

The lead agency for this proposal has determined that the proposal will not have a probable significant adverse impact on the environment. This final decision was made after review of the SEPA environmental checklist, and project information on file with the lead agency. No comments were received during the public comment period ending on September 14, 2024, and no appeals to the DNS were received during the appeal period ending on October 5, 2024.

The responsible official finds this information reasonably sufficient to evaluate the environmental impact of this proposal. A copy of this threshold determination is available upon request.

Direct questions regarding these decisions to:  
Darin Klein  
Environmental Manager
