DOC Mission: To Improve Public Safety by Positively Changing Lives
DOC Vision: Working Together for safe Communities

• Work Release Expansion
  ◦ **Work release** facilities serve as a bridge between life in prison and life in the community. Incarcerated individuals who complete the work release program are more likely to be successful in maintaining employment, stable housing, and in paying legal financial obligations. Recent research conducted by the Washington State Institute for Public Policy indicates that work release programs have a positive cost/benefit impact; for every dollar spent, $3.82 is returned to the state.
Work Release Program Overview

  ◦ Finding/retaining employment

  ◦ Becoming productive citizens
  ◦ Learning/refining life skills such as:
    ◦ Using public transportation
    ◦ Shopping
    ◦ Managing personal finances
Work Release Program Overview

Site Selection Steps (continued)

3. RCW 72.65.220 Facility siting process
   ◦ An additional public hearing after public notification shall also be conducted in the local community selected as the final proposed site.
   ◦ Provide for opportunities for written or oral comments and wide dissemination of proposals and alternatives.

4. WAC 137-57-060 Public notice, hearing requirements
   ◦ After the Secretary gives preliminary approval to a site, the Department shall either apply for or assist others in applying for any permits which may be required by local zoning laws with respect to the operation of a work/training release facility.
   ◦ After the required zoning permits, if any, have been obtained, and the Secretary has considered the comments expressed by members of the public during any zoning process or during the public hearing conducted by the Department, the Secretary may grant or withhold final approval of the proposed site.
Site Specific Progress

SeaTac – 18845 International Blvd.

• 18845 International Blvd, SeaTac – Discussion with the City of SeaTac, Planning Manager
  ◦ Site would need to be permitted as a conditional use in the CB-C zone.
  ◦ A Major Conditional Use Permit (CUP) requires a pre-application meeting per SMC 16A.05.020.
  ◦ A determination will be made in the pre-application meeting as to whether an essential public facility (EPF) siting process is needed/required.
  ◦ Likely will fall under the City’s CUP-EPF siting process under SMC 15.115.040.

• Next step is to prepare and submit a pre-application meeting request application.
