Washington Corrections Center for Women

SUBJECT: REVISED - WCCW Visitation Resumes

Effective Friday, May 27, 2022, Washington Corrections Center for Women (WCCW) will resume visitation. Visitation must coincide with the cohort schedule of the incarcerated individuals’ living unit. Cohorts will be broken down as follows:

- Medium Security Unit (MSU) will be separated into two cohorts:
  - A-pod is one cohort and
  - B-pod is the other.
- J & K Units will be one cohort
- IMU/SEG/TEC Residential will be allowed visitation anytime
- CCU is one cohort

We all understand how important visitation is and its role in the health and well-being of those in our care and custody. The health and safety of our staff, incarcerated individuals, and their families continue to be our priority. With these added protections, I am glad that we can move forward and ensure those essential connections and moments continue.

Thank you for your continued hard work; you are appreciated.
