FROM: Jeremy Long, Captain

SUBJECT: CRCC COVID-19 Limited Area Outbreak

On July 24, 2022, Coyote Ridge Corrections Center (CRCC) confirmed that two or more incarcerated individuals in Camas Unit tested positive for COVID-19. As a result of the positive test results, and in conjunction with clinical staff, it was determined to place Camas Unit on Limited Area Outbreak status, and they are unable to participate in visitation.

Additionally, on July 24, 2022, it was confirmed that two or more incarcerated individuals in C Unit tested positive for COVID-19. As a result of the positive test results, and in conjunction with clinical staff, it was determined to place C Unit on Limited Area Outbreak status, and they are unable to participate in visitation.

Additionally, on July 24, 2022, it was confirmed that two or more incarcerated individuals in H Unit tested positive for COVID-19. As a result of the positive test results, and in conjunction with clinical staff, it was determined to place H Unit on Limited Area Outbreak status, and they are unable to participate in visitation.

Additionally, on July 20, 2022, all CRCC was placed on a Facility Wide Cluster status. All staff will have to PCR test twice a week. The population was tested on July 22, 2022 and received the results back on July 24, 2022.

While C, H and Camas-Unit will remain quarantined and unable to participate in visitation, the rest of the facility will continue normal operations per the visitation schedule.

It is imperative that everyone continue to wear a surgical mask, or appropriate Personal Protective Equipment (PPE), practice social distancing at all times and hold the incarcerated responsible to meet these standards. Similarly, it is vital that we continue to follow the Centers for Disease Control (CDC) guidelines, ensuring to follow the six (6) foot social distancing rule, washing your hands, and keeping areas of the institution sanitized.

Corrections is committed to everyone’s safety. We will continue to communicate with you as we progress through this pandemic.
