WA DOC COVID-19 ACTIVE SCREENING QUESTIONNAIRE
This will be updated as the CDC and WA State Health Department’s information on COVID-19 continues to change.
Your health and well-being are of the utmost importance and we are taking measures to keep the facility/office a safe environment for employees as well as the individuals under our charge and the public. Therefore, anyone coming into the facility/office will be screened and part of our screening process will include taking their temperature and asking the following questions.

1. Have you experienced a new cough within the last 14 days that cannot be attributed to another health condition?
   - [ ] YES
   - [ ] NO

2. Have you experienced a new sore throat within the last 14 days that cannot be attributed to another health condition?
   - [ ] YES
   - [ ] NO

3. Have you experienced a new loss of taste or smell within the last 14 days that cannot be attributed to another health condition?
   - [ ] YES
   - [ ] NO

4. Have you experienced a new shortness of breath within the last 14 days that cannot be attributed to another health condition?
   - [ ] YES
   - [ ] NO

5. Have you had close contact within the last 14 days, without the use of appropriate PPE, with someone who is currently sick with suspected or confirmed COVID-19?
   (Note: Close contact is defined as within 6 feet for more than 10 minutes)
   - [ ] YES
   - [ ] NO

6. Have you experienced new muscle aches within the last 14 days that cannot be attributed to another health condition or that may have been caused by a specific activity such as physical exercise?
   - [ ] YES
   - [ ] NO

7. Have you had a fever within the past 14 days (temperature at or above 100.4)?
   - [ ] YES
   - [ ] NO

8. Have you experienced a new nausea, vomiting, diarrhea or congestion within the last 14 days that cannot be attributed to another health condition?
   - [ ] YES
   - [ ] NO

If the individual answers YES to any of the questions they will not be allowed into the facility/office unless determined otherwise by a designated DOC medical professional.

*Facilities identified as being at critical staffing levels in health services may have healthcare workers authorized by the HQ Emergency Operations Center to enter the facility under the following guidelines:
- As long as they remain asymptomatic;
- Self-monitor symptoms as outlined in the guidance; and
- Wear a surgical mask at entry and at all times while on facility grounds.
