A. To the Table Case – Members had a full Board discussion of this ISRB case.

LT JUVBRD
• Shawn Mattson
• DOC #860289
• Purpose: Full Board Discussion
• Date: August 8, 222
• List of Documents Reviewed
  • ISRB File
• An updated prosecutor recommendation was received dated May 18, 2022, recommending he not be released.

• Mr. Mattson was seen for a release hearing on July 19, 2022, at the Washington State Penitentiary.

• Summary Discussion
  Mrs. Ramsdell-Gilkey presented the case to the full Board

• Mr. Mattson is being seen by the Board for his convictions of Murder in the Second Degree, Attempted Murder in the Second Degree, and Assault in the Second Degree in Pierce County Cause #02-1-01579-6.

  Mr. Mattson got into an argument with his aunt with whom he lived. He grabbed a gun from the bedroom and shot her injuring her hand and arm. When his uncle came into the house he shot and killed him. Two more persons entered the house, and he pointed the gun at them but did not
He then ran from the house and was later tracked down at a nearby residence. He was 15 years of age at the time of the crime and is currently 36 years of age.

Mr. Mattson has been placed in juvenile facilities at least four times. Once in Nevada and three times in Pierce County. Two of those times was for assaulting teachers and being destructive.

Risk assessments show he is capable of transitioning.

Mr. Mattson has had 14 infractions with his last one occurring seven years ago.

Mr. Mattson is in the Re-entry Community Service Program. He is doing well and controlling his temper. He is willing to do what is asked of him.

Mr. Mattson has a good deal of support in the community.

- **Decision:**
  The panel recommends a finding him releasable.

- **Reasons:**
  - A recent psychological evaluation indicated Mr. Mattson had demonstrated evidence of maturation and/or rehabilitation; he was a low moderate risk for future violence; VRAG-R showed a moderate risk to reoffend; HCR-20v3 indicated a low risk for imminent violence and a moderate risk for future violence; PCL-R shows a low level of psychopathy; SAPROF shows a moderate high level of protective factors; overall risk for violence was low moderate.
  - In his long term of confinement, he incurred a total of 14 serious infractions, only two of which involved assault or fighting. His last was in 2015.
  - He has been entirely compliant with his mental health plan. He shows insight into his mental illness and appears to understand the continuing need for medication.
  - He participated in substance abuse and anger management with a mental health provider. He completed a self-forgiveness workbook and completed a correspondence course to become a Minister through the Universal Life Church.
  - He is committed to a clean and sober life in the community and has a good deal of support.
• **Recommendations:**
  • Mr. Mattson will need to take advantage of all services available to him through the Reentry Community Services Program. He will be required to participate in mental health treatment in the community and to take medication as prescribed. He will be on electronic monitoring for the first 90 days of his supervision and will be supervised at the highest level for the first 12 months.

• **Next Action:**
  • Submit Offender Release Plan (ORP).

• **Vote:**
  Jeff Patnode  Agree with recommendation
  Kecia Rongen  Agree with recommendation
  Lori Ramsdell-Gilkey  Agree with recommendation
  Elyse Balmert  Agree with recommendation
  TaTeasha Davis  Agree with recommendation
