○ **Current Wording:**

- You must not access the internet without first meeting with your CCO and fully and accurately completing the “Social Media and Electronic Device Monitoring Agreement” DOC Form # 11-080. You must install a monitoring program as required by the DOC, at your own expense, and your CCO must be your designated accountability partner. The requirements and prohibitions on this completed form will remain in effect until removed or modified in writing, signed and dated by you and your CCO.

The underlined wording has caused confusion and has been interpreted to mean the condition is at the discretion of DOC rather than the monitoring program should be approved by DOC.
