Correctional Industries Advisory Committee

The CI Advisory Committee makes recommendations to the Secretary of the Department of Corrections regarding the implementation of the incarcerated individual work program. The DOC is statutorily mandated to positively impact incarcerated individuals by stressing personal responsibility and accountability, establishing work ethic, and providing opportunities for self-improvement, including chances for growing and expanding skills and abilities to fulfill their role in the community post-release.

OUR CORE VALUES

We walk the talk to motivate change.

We provide opportunity for second chances.

We foster understanding and mentor growth.

We build unity and strength through collaboration.

We inspire and empower individual success.

MISSION

Correctional Industries is committed to maintain and expand work training programs which develop marketable job skills, instill and promote positive work ethics, and reduce the tax burden of corrections.

VISION

Transform lives and increase successful reentry through training and mentoring.
