**Dispensing fees are priced using L&I Fee Schedule in effect on 1/1/2023 and the hearing aids are priced using DSHS fee schedule in effect on 1/1/23 (L&I & DSHS fee schedules are generally update each July.)

* The dispensing fee includes: initial screening, pre-fitting eval, an ear mold, and post fitting consultations. Device should include a one year repair and one year loss/damage warranty.

**If the hearing aid is no longer under warranty and the repair can be performed in-house, the reimbursement shall be a flat rate of \$105.50 if the repair requires the hearing aid to be sent to the manufacturer, the provider will be reimbursed the cost the manufacturer charges for the repair as well as the \$105.50 flat fee - the manufacturers invoice must be submitted with the billing for reimbursement

***Binaural hearing aids are not covered under the Offender Health Plan without prior authorization from the Department
