

# Statewide Reentry Assistance

for individuals impacted by resentencing

Do you know someone who is being resentenced and possibly releasing soon? Are they in need of reentry support?

Please contact a Resentencing Specialist or email us at [DOCResentencePlanning@doc1.wa.gov](mailto:DOCResentencePlanning@doc1.wa.gov)

## A Resentencing Specialist can assist with:

### Pre-Release:

- Individual Reentry Plan and essential needs support
- Identifying goals and action steps
- Submitting referrals for resources, programming and community support
- Providing connection to community partners and resources

### Post-Release:

- Resource Connection- For food, clothing, hygiene, identification, housing and more
- Application Assistance - For State, Federal, Tribal and/or other benefits
- Health Services - Assistance with medical, dental, mental health, prescriptions and health services needs
- Employment - Connection to job training programs, employment opportunities and/or employment services
- Education - Connection to Education Navigators (financial aid, enrollment, transcript support, etc.)
