

BELLINGHAM REENTRY CENTER (BRC)

FACT SHEET

1125 & 1127 N. Garden St., Bellingham, WA
360-676-2150

ABOUT

Custody Level:

- Minimum Security Classification Facility

Capacity:

- 42 men, 8 women

Annual Operating Budget:

- \$2,918,635

BRC is located in the northwest corner of Washington state, overlooking the Pacific Ocean. It operates in two side-by-side buildings in a downtown college area of Bellingham. BRC has operated since 1976 and has been in its current location since 1981. BRC's primary goal is to improve public safety by positively changing lives by supporting residents' reestablishment of positive family ties, access to employment and education and other services that aid in their transition back to the community.

Residents who meet the screening criteria may be transferred to BRC 12 months before their earliest release date. The facility is leased and operated by the Washington State Department of Corrections and provides 24/7 safety and security, food services, case management and maintenance.

COVID-19 Operations: In May 2023, federal and state COVID-19 emergency declarations ended, and DOC transitioned to a new normal operation. DOC continues to follow DOH and CDC guidelines for managing and preventing infection control.

Individuals with Disabilities: The Reentry Centers meet applicable American with Disabilities Act (ADA) standards and DOC policies regarding ADA. We will coordinate with the statewide ADA coordinator prior to the arrival of residents requiring ADA accommodations to ensure the facility has the necessary items. We will ensure the facility continues to meet the accommodated residents' needs during their incarceration.
