Furniture Refurbishing Services

Do you have office furniture that you have come to rely on day in and day out? Do you dread the thought of having to spend time shopping for expensive new furniture? Instead of searching high and low for that perfect replacement, Correctional Industries offers an inexpensive alternative that breathes new life into your upholstered or wood furniture. We can replace the padding and torn fabric on seat cushions and backs, re-web and re-tie springs, and re-finish exposed wood or metal parts on most furniture. This is also your opportunity to makeover a piece and provide a fresh take on your old favorite with new fabrics. If you need furniture custom modified, or help with a special design or project, CI can accommodate your needs. Let us provide you with a free evaluation and estimate for your project to help determine if the refurbishing process is right for you. Pricing is dependent on the condition of the furniture to be restored.

Restore worn and damaged furniture such as:

- residential living furniture
- classroom furniture
- mobile pedestals
- system furniture
- auditorium seating
- tables and coffee tables
- chairs and sofas
- desk systems
- bookcases

...and much, much more!

To get a project started, please call your Account Executive or Customer Service at 1.800.628.4738.

Our Process

Once we have received your furniture, typically the first step in the restoration process is to remove any hardware, drawer pulls, hinges and padding to determine if these need replacing or repair. Next, any wood components are stripped down of old layers of paint to make way for fresh coats of paint, stain, lacquer, varnish or laminate. Individual parts are inspected for damage, scratches and cracks are filed, loose joints are re-glued, and parts are replaced as needed. Old fabrics are then replaced before final re-assembly and finishing touches are added. Regardless of how unique your project is, you have our guarantee that you will be happy with the final results.

Have your furniture restored to its original luster by CI's craftsmen for a fraction of what it costs to buy new.

Why Buy From CI?

Besides offering quality products and services at an affordable price, CI also provides offenders with job experience and an opportunity to succeed once released. With your support, we can help provide the means for offenders to pay court ordered financial obligations, victim restitution, a portion of their cost of incarceration, family support and build a mandatory savings account. Your purchases from CI lower the costs associated with operating the state's criminal justice system and provide offenders with a chance to change their lives forever.

RECYCLED AND SPECIALTY FABRICS

CI's complete refurbishing program offers a broad selection of standard and recycled fabrics or vinyls in a wide range of colors. We can also re-upholster your furniture using specialty fabrics and customer-owned materials.

OTHER PRODUCTS

If refurbishing is not an option, Correctional Industries also offers a broad assortment of new furniture including; chairs, tables, desks, files and storage, office accessories, system furniture and movable walls.
