

Metro Seating

The inviting Metro sofa, settee and arm chair create a home-like setting. Traditionally crafted for the ultimate in comfort.

LS-MET2

Lounge settee.

Enjoy Metro's lounge seating line which features plenty of foam for a more comfortable and relaxing sitting experience, and a plywood frame that ensures a strong and stable structural foundation.

METRO FEATURES

Fully upholstered seating constructed from precision CNC milled wood components. Sinuous no-sag spring deck for improved comfort. Seat cushions made from high resiliency foam for durability, comfort and long life. Seat cushions are tethered in order to provide security while affording reversibility. All pieces are component repairable. Exposed solid wood feet with natural wood stain finish. Standard upholstery choices. Ultra-durable fabrics available.
