Lounge chair.

Guest and lounge furniture enhance any workplace, waiting room or reception area. Correctional Industries can assist you with designing both a functional and stylish space for your guests.

MINUET FEATURES

Fully upholstered seating constructed from precision CNC milled wood components. Sinuous no-sag spring deck for improved comfort. Generously oversized cushioned back and armrests. Seat cushions made from high resiliency foam for durability, comfort and long life. Seat cushions are tethered in order to provide security while affording reversibility. All pieces are component repairable. Nylon floor guides. Standard upholstery choices. Ultra-durable fabrics available.
