Corrections' COVID-19 Bulletin

June 23, 2021
Bulletin 64

Current Status

While the Department of Corrections continues to see a decrease in COVID-19 positive cases in the incarcerated population, the department remains focused on mitigating the spread of COVID-19 and continues to follow appropriate science-based protocols to ensure the health and safety of those in its custody and its staff. The department is currently evaluating updated statewide guidance and plans to provide more information on updated guidelines and protocols soon.

Numbers at a Glance
