

# Corrections' COVID-19 Bulletin

February 25, 2022  
Bulletin 126

## Current Status

The Washington State Department of Corrections' (DOC) Prisons and Work Release facilities are seeing a promising decline in COVID-19 impacts with 10 currently on outbreak status. There were 20 on outbreak status on January 24, 2022. DOC's priority is the health and safety of staff and everyone in its care and custody.

DOC has been using the Incarcerated Individual Betterment Fund (IIBF) to do a variety of things for incarcerated individuals to help the time pass more smoothly. Additionally, a [message was sent to incarcerated individuals and family members](#) on February 18, 2022, that provided an update on DOC's response to COVID-19 and comfort items provided through IIBF.

DOC [announced an update to prison and work release visitation status](#) on February 22, 2022.

Each prison and work release facility on outbreak status sends out a weekly status update message, that can be viewed on the department's [Significant Events Timeline \(SET\)](#). You can search for information about a specific facility by visiting the SET, hitting ctrl+f, and typing in the acronym of the facility you are interested in.

## Frequently Asked Questions

To review DOC's COVID-19 Frequently Asked Questions – [visit the webpage, here](#).

## Prison Facilities

Starting January 24, 2022, DOC will be including active cases from the last 14 days rather than confirmed cases in the last 30 days. This is in an effort to provide the most current, relevant information possible in the bulletin. You can still review confirmed cases in the last 30 days, and more data, on our [COVID-19 data webpage, available here](#).
