

# Corrections' COVID-19 Bulletin

March 11, 2022  
Bulletin 132

## Current Status

The Washington State Department of Corrections' (DOC) Prisons and Work Release facilities continue to see a promising decline in COVID-19 impacts with 3 currently on outbreak status. There were 20 on outbreak status on January 24, 2022. DOC's priority is the health and safety of staff and everyone in its care and custody.

DOC has been using the Incarcerated Individual Betterment Fund (IIBF) to do a variety of things for incarcerated individuals to help the time pass more smoothly. Additionally, a [message was sent to incarcerated individuals and family members](#) on March 4, 2022, that provided an update on DOC's response to COVID-19 and the opening of visitation at facilities.

DOC [announced an update to prison and work release visitation status](#) on February 22, 2022.

DOC will publish an updated Safe Start document in mid-March.

Each prison and work release facility on outbreak status sends out a weekly status update message, that can be viewed on the department's [Significant Events Timeline \(SET\)](#). You can search for information about a specific facility by visiting the SET, hitting ctrl+f, and typing in the acronym of the facility you are interested in.
