Question 1
Is the horticulture department accepting flower orders during COVID?
Answer
Yes on a limited capacity. Please be sure to call the horticulture department for more information.

Comments/Closing
- Angee Schrader of OCO thanked the facility for the wonderful work they are doing in keeping the population safe from the COVID-19 virus. She shares this information with HQ all the time, singing WCCW’s praises. Susan Sherman echoes these remarks. She is so pleased with how we are working in a difficult situation.
- Future COVID calls will be done via Microsoft TEAMS. Please look for an email with that information from Melissa.
