DOC 100.100 is hereby incorporated into this policy; [RCW 70.160](#); [DOC 560.200 Religious Program](#)

POLICY:

- I. In an effort to provide a safe, healthy, and productive environment for employees, contract staff, volunteers, offenders, and visitors, the use of tobacco and vapor products not authorized by this policy is prohibited in Department-owned or leased offices, Prisons, Work Releases, and vehicles.
- II. This policy is not applicable to employee residences at Washington State Penitentiary (WSP). This does not preclude the Appointing Authority from designating these residences as smoke free as they become vacant and before an employee assumes occupancy.

DIRECTIVE:

- I. General Requirements
 - A. Smoking/vaping or the use of any unauthorized tobacco products is not permitted in Department facilities, offices, or state vehicles.
 1. In locations where the Department leases space and is not the sole tenant, individuals may use the smoking area(s) designated by the building owner.
 2. Individuals who smoke/vape are required to select smoking areas that are unobtrusive and will maintain a professional appearance to the general public.
 - B. Smoking/vaping is prohibited within 25 feet of any facility or office entrance or vent intake.
 1. Ash cans should not be placed near any entrances.
 - C. Signs will be posted at entrances to Department facilities and offices to clearly identify them as smoke free areas.
 - D. Employees, contract staff, and volunteers will be permitted to use Nicotine Replacement Therapy (i.e., patch, gum, nasal spray, inhaler, lozenges) and chewing tobacco and will be allowed to have these products with them.

II. Prisons

- A. Possession of tobacco/vapor products and other smoking products not authorized by this policy is not permitted within any Prison or on facility grounds, with the following exceptions:
1. Employees, contract staff, and volunteers will be allowed to smoke outside the secure perimeter of a Prison during their scheduled breaks and/or rest periods, or just before or after their scheduled work hours, in an area(s) designated by the Superintendent. Smoking areas should be reasonably accessible and out of view of offenders.
 - a. Facility management will implement procedures to ensure the smoking area is kept clean and that individuals remove their own cigarette butts to prevent the introduction of contraband tobacco into the facility.
 2. Employees, contract staff, volunteers, and visitors may secure tobacco/vaping products in their personal vehicles.
 - a. Superintendents may designate lockers to secure unauthorized tobacco/vapor products.
 3. Offenders may have access to smoke-producing substances for religious practices and religious group use per DOC 560.200 Religious Program.
 4. Offenders will not be permitted to use any other tobacco/vapor products.
- B. Off-site work crew officers and Department of Natural Resources crew supervisors may not smoke/vape in the presence of offenders.
- C. Disciplinary action may be initiated against employees, contract staff, or volunteers for the introduction/unauthorized possession of tobacco/vapor products or materials in a facility or on facility grounds.
- D. When practical, smoking cessation assistance will be provided without charge.
