POLICY:

I. Consistent with public and tribal community interests, the Department allows specific individuals to be considered for special escorted leaves from Prison to attend funerals and/or deathbed visits for Squaxin Island tribal members and/or on Squaxin Island tribal lands.

II. The Department has entered into a formal intergovernmental agreement (i.e., contract) with the Squaxin Island Tribe concerning the special escorted leave of an individual per this policy.

DIRECTIVE:

I. Requirements

A. Specific individuals may be granted a special escorted leave to attend a funeral and/or deathbed visit of an immediate family member on or near the Squaxin Island Reservation.

B. In order to be considered for a special escorted leave:

   1. The individual must be an enrolled member of the Squaxin Island Tribe, or
   2. The individual’s immediate family member must be an enrolled member of the Squaxin Island Tribe.

C. The special escorted leave must be within Washington State.

D. The duration of the special escorted leave may only exceed 48 hours, including travel, when approved in advance by the Superintendent.

II. Approval

A. Special escorted leave requires Superintendent approval. The Superintendent will consider, at a minimum:
1. Whether there is enough time to transport the individual to the funeral/deathbed visit.

2. Whether attendance at the funeral/deathbed visit is likely to place the individual in proximity to a person who has:
   a. Been the victim of a criminal act committed by the individual,
   b. Been the target of threatening behavior exhibited by the individual, and/or
   c. An active No Contact Order in place against the individual.

3. Whether the Squaxin Island Tribal Executive Leadership:
   a. Accepts or declines a special escorted leave for the individual, and
   b. Is willing or unwilling to assume temporary custody during the special escorted leave.

4. A risk assessment that considers, at a minimum:
   a. Current custody/housing status,
   b. Escape history and probability to escape,
   c. Health care needs,
   d. Mental health,
   e. Behavior, and
   f. Risk to reoffend.

B. The Superintendent will notify the applicable Assistant Secretary for Prisons of the reasons for a denied request. The Assistant Secretary may review the denial and make a final determination.

III. Initiating a Request

A. To initiate a request for special escorted leave, the individual, the individual's family, or the Squaxin Island Tribal Executive Leadership will contact the Superintendent.

1. If the Superintendent learns of the death or critical illness of an individual's immediate family member before the individual is informed, the Superintendent will ensure the individual is notified in a timely manner.

B. The Superintendent will assign an employee to complete DOC 21-506 Special Escorted Leave Worksheet and Checklist to confirm the death or illness, that the person is the individual's immediate family member, and that either the individual
or the immediate family member is an enrolled member of the Squaxin Island Tribe.

C. The employee will notify the individual, family, and/or Squaxin Island Tribal Executive Leadership that insufficient time to process the request may be reason for denial.

IV. Cost Requirements

A. The individual, family, or Squaxin Island Tribal Executive Leadership will be notified of the cost requirements.

1. The individual, family, or Squaxin Island Tribal Executive Leadership is responsible for the following costs:

   a. Mileage for special, round trip transportation between the facility where the individual is housed and the Washington Corrections Center (WCC).

      1) Mileage will be billed at the Office of Financial Management privately owned vehicle (POV) reimbursement rate and will include applicable charges (e.g., tolls).

   b. Salary and benefits for the employee(s) escorting the individual, for the duration of the trip between the facility where the individual is housed and WCC.
