       Human Resources

SUBJECT: Expansion of FMLA and Sick Leave Due to the Federal Families First Coronavirus Response Act (FFCRA)

The federal Families First Coronavirus Response Act (FFCRA) was enacted on March 18, 2020. It includes two different employee leave acts: Emergency Paid Sick Leave Act (EPSLA), which provides up to 80 hours of paid leave to qualifying employees who need leave for their own COVID-19 health related issues, to care for an individual with COVID-19 issues, or to care for a minor child due to a COVID-19 related school or child care closure and the Emergency Family and Medical Leave Expansion Act (EFMLEA), which provides qualifying employees up to twelve weeks of paid and unpaid leave to care for a minor child due to a COVID-19 related school or child care closure.

These acts are effective on April 1, 2020 and expire on December 31, 2020. Attached please find a poster explaining employee rights are under the EFMLEA and EPSLA.

Please contact your local human resources office with any questions.

Attachment
The Families First Coronavirus Response Act (FFCRA or Act) requires certain employers to provide their employees with paid sick leave and expanded family and medical leave for specified reasons related to COVID-19. These provisions will apply from April 1, 2020 through December 31, 2020.

**PAID LEAVE ENTITLEMENTS**
Generally, employers covered under the Act must provide employees:
Up to two weeks (80 hours, or a part-time employee’s two-week equivalent) of paid sick leave based on the higher of their regular rate of pay, or the applicable state or Federal minimum wage, paid at:

- 100% for qualifying reasons #1-3 below, up to $111 daily and $5,550 total;
- 2/3 for qualifying reasons #4 and 5 below, up to $200 daily and $2,000 total; and
- Up to 10 weeks more of paid sick leave and expanded family and medical leave paid at 2/3 for qualifying reason #5 below for up to $200 daily and $12,000 total

A part-time employee is eligible for leave for the number of hours that the employee is normally scheduled to work over that period.

**ELIGIBLE EMPLOYEES**
In general, employees of private sector employers with fewer than 500 employees, and certain public sector employers, are eligible for up to two weeks of fully or partially paid sick leave for COVID-19 related reasons (see below)

Employees who have been employed for at least 30 days prior to their leave request may be eligible for up to an additional 10 weeks of partially paid expanded family and medical leave for reason #5 below.

**QUALIFYING REASONS FOR LEAVE RELATED TO COVID-19**
An employee is entitled to take leave related to COVID-19 if the employee is unable to work, including unable to telework, because the employee:

1. is subject to a Federal, State, or local quarantine or isolation order related to COVID-19;
2. has been advised by a health care provider to self-quarantine related to COVID-19;
3. is experiencing COVID-19 symptoms and is seeking a medical diagnosis;
4. is caring for an individual subject to an order described in (1) or self-quarantine as described in (2);
5. is caring for his or her child whose school or place of care is closed (or child care provider is unavailable) due to COVID-19 related reasons; or
6. is experiencing any other substantially-similar condition specified by the U.S. Department of Health and Human Services.

**ENFORCEMENT**
The U.S. Department of Labor’s Wage and Hour Division (WH) has the authority to investigate and enforce compliance with the FFCRA. Employers may not discharge, discipline, or otherwise discriminate against any employee who lawfully takes paid sick leave or expanded family and medical leave under the FFCRA, files a complaint, or institutes a proceeding under or related to this Act. Employers in violation of the provisions of the FFCRA will be subject to penalties and enforcement by WHD.
