TO: All DOC Employees

FROM: Melia Olsen, Director Human Resources

SUBJECT: Expanded Families First COVID-19 Leave and Leave Review Following Secondary Screening

I appreciate your patience as we pulled together information pertaining to absences and leave options related to COVID-19. The purpose of this message is to provide you with answers to some of the common questions we’ve received about the new leave, explain the process to request leave, as well as provide you with information related to leave review following secondary screening.

Expanded Families First Coronavirus Response Act (FFCRA)

In response to the Coronavirus pandemic, the final FFCRA rules were published by the Federal Department of Labor on April 6, 2020 with an effective date of April 1, 2020. Please be assured that this leave can be requested retroactively back to the April 1, 2020 effective date.

The FFCRA requires certain employers, which includes State agencies, to provide employees with paid sick leave and/or expanded Family and Medical Leave for specified reasons related to COVID-19. The leave provided under the FFCRA is available from April 1, 2020 through December 31, 2020. In order to assist staff with questions related to the FFCRA, the Agency created the following resources:

1) A new mailbox docfamiliesfirstleave@DOC1.WA.GOV to help respond to employee questions.

2) A new FFCRA Approval Request form (DOC 03-113) to facilitate requests for FFCRA leave. A copy of the form is attached.

Process for Requesting Leave under the FFCRA

- Employees submit the FFCRA Approval Request form to their local HR Offices.
- Local HR Offices process FFCRA requests and provide approval confirmation to employees with the identified appropriate leave code(s) the employee is to use.
- Employees approved for leave under FFCRA must submit manual leave requests, using the DOC Leave Request form, available on iDOC and DOC’s external website. Do not submit leave for FFCRA using Employee Self Service (ESS).
• Custody staff submit leave requests forms to the Roster Office through the local facility process. Non-Custody employees submit either a hardcopy or electronic leave request form to their supervisor.

• Employees ensure their leave request forms reflect the correct leave codes for the type of leave approved on their FFCRA Approval Request form (DOC 03-113). These codes are located under the “Other” and “Leave without pay” sections on the DOC Leave Request form (DOC 03-407). **Do not submit leave for FFCRA using ESS.**

• The Roster Office and/or supervisor will review, approve and forward leave requests through the local timekeeping process.

• Supervisors and employees are encouraged to work with their local HR staff, timekeepers and HQ payroll processor if they have questions or need assistance with the leave request process or forms.

Except when approved for Emergency Family Medical Leave Expansion Act, employees must either work, telework, or use paid leave for a minimum of 8 hours per month to maintain their health care benefits. Employees are responsible to pay their portion of the health care premiums, even if 8 hours per month does not generate enough income to cover their portion of the premium. Any unpaid portion will go into arrears. When the employee returns to work full time the department will work with the employee to set up a payment plan to collect the amount in arrears.

The Office of Financial Management created a category of leave entitled “Emergency Paid Leave”, which totals 80 hours and appears in the leave balance section on each full time employees pay stub. This leave is only available to employees that apply and are approved for FFCRA. If the leave is not used, it will not be cashed out and expires on December 31, 2020.

Secondary Screening Leave Review

In light of the many leave questions and/or concerns related to Secondary Screening, the Secretary has determined a need to create a Secondary Screening Task Force team to review and audit leave entries related to staff secondary screening.

The Task Force team will develop leave guidance tools and audit leave consistently statewide. Assistant Secretary, Jeannie Miller is leading this task force and the team leads are working to get all of the tools developed for auditing purposes. This team will be working with local Human Resource offices and timekeepers to gather necessary information in the review and may reach out to individual staff to verify information. Once the audit is complete, an email will be sent with the assessment breakdown to the employee, supervisor, and the local HR office. The email notification will include information for easy reference as well as outline necessary action required.

Please feel free to email **DOCCOVID-19payroll@doc.wa.gov** with questions related to the types of leave following secondary screening.
An OFM State Human Resources chart outlining the various leaves available is also attached for your reference.

We know that these are stressful times and our goal is to support you regarding your individual and family needs.

LEAVE GUIDANCE

All existing certification requirements under the Family and Medical Leave Act (FMLA) remain in effect for qualifying reasons under the FMLA, with the exception of leave qualifying under EFMLEA.

For example, when taking leave beyond the 2 weeks of EPSLA leave for a COVID-19-related serious health condition, medical certifications under the FMLA must be provided if required by your employer.

LEAVE OPTIONS

EFMLEA consists of a total of 12 weeks or 480 hours of leave at 2/3 rate of pay with certain maximums described below, with the first 2 weeks unpaid. This is in combination, not in addition to any other FMLA used within the current 12 month period.

During the unpaid portion of EFMLEA, any of the following leave types or a combination must be used:

• Accrued paid leave, such as vacation, sick, compensatory time. Employees will receive their full pay when using accrued leave during the first 2 weeks of EFMLEA.

• EPSLA. Employees will receive 2/3 pay when using EPSLA during the first 2 weeks of EFMLEA.

• Leave Without Pay COVID-19. Employees will not be paid for this time, however, their job and benefits are protected. In addition, anniversary dates, seniority dates, and periodic increment dates will not be adjusted.

  Depending on their circumstances, employees may be eligible for Shared Leave COVID-19. Contact the local HR offices with questions about eligibility.

EPSLA is limited up to 80 hours of leave from April 1, 2020 through December 31, 2020. Part-time employee requests will be prorated based on the number of hours per week agreed to work upon hire. On-call employees will be provided EPSLA leave equal to the average number of hours worked over the 6 months period prior to the approval date of this leave.
Rate of pay information specific to reasons identified on Page 1 of this form:

For EPSLA leave reasons 1, 2, or 4, (leave code 9370), employees are paid their regular rate of pay up to $511 per day and a maximum of $5,100 total.

For EPSLA leave reasons 3, 3a or first two weeks of 5 (leave code 9371), employees are paid at 2/3 of their regular rate of pay up to $200 per day and a maximum of $2,000 total.

For EFMLEA reason 5 (leave code 9369), the first 2 weeks are unpaid, then employees will be paid at 2/3 of their regular pay rate for the additional 10 weeks, up to $200 per day and a maximum of $10,000 total.

Employee that choose not to use EPSLA during their first 2 weeks of unpaid EPSLA time and use their own accrued leave, are entitled to the full amount of pay, even if that amount is greater than $200 per day.

All leave taken for reasons 3, 3a, or 5 paid at reduced rate is not be reportable for retirement service credits to the Department of Retirement Services (DRS).
