**SUBJECT: GTL and JPay Updates**

The Department of Corrections is extending access to free phone calls. All incarcerated individuals will continue to receive two (2) free five (5) minute calls per week through May 31, 2020. As a reminder, if your free calls are not used by the end of the period, ending May 31, 2020, no credit will be given.

JPay will continue to add two (2) free video visitation calls to your loved one's account, as well as provide you with two (2) free JPay Stamps. They have also extended Free Reply Wednesdays through June 3, 2020.

We understand these expanded free services are not the same as seeing your friends and family in person, we hope that it helps to alleviate some of your concerns during this challenging time.
