WA DOC COVID-19
ACTIVE SCREENING QUESTIONNAIRE

This will be updated as the CDC and WA State Health Department’s information on COVID-19 continues to change.

Your health and well-being are of the upmost importance and we are taking measures to keep the facility/office a safe environment for employees as well as the individuals under our charge and the public. Therefore, anyone coming into the facility/office will be screened and part of our screening process will include taking their temperature and asking the following questions.

1. Within the last 14-days, have you experienced a new cough that you cannot attribute to another health condition?
   ☐ YES
   ☐ NO

2. Within the last 14-days, have you experienced new shortness of breath that you cannot attribute to another health condition?
   ☐ YES
   ☐ NO

3. Within the last 14-days, have you experienced a new sore throat that you cannot attribute to another health condition?
   ☐ YES
   ☐ NO

4. Within the last 14-days, have you experienced new muscle aches that you cannot attribute to another health condition or a specific activity such as physical exercise?
   ☐ YES
   ☐ NO

5. Within the last 14-days, have you had a temperature at or above 100.4° or the sense of having a fever?
   ☐ YES
   ☐ NO

6. Within the last 14 days, have you had close contact, without the use of appropriate PPE, with someone who is currently sick with suspected or confirmed COVID-19?* (Note: Close contact is defined as within 6 feet for more than 10 consecutive minutes)
   ☐ YES
   ☐ NO

7. Have you experienced a new loss of taste or smell within the last 14-days that cannot be attributed to another health condition?
   ☐ YES
   ☐ NO

If the individual answers YES to any of the questions they will not be allowed into the facility/office unless determined otherwise by a designated DOC medical professional.

*Facilities identified as being at critical staffing levels in health services may have healthcare workers authorized by the HQ Emergency Operations Center to enter the facility under the following guidelines:

- As long as they remain asymptomatic;
- Self-monitor symptoms as outlined in the guidance; and
- Wear a surgical mask at entry and at all times while on facility grounds.
